

SONG LYRICS RELATING TO RELATIONSHIPS

'STAN' - Eminem Feat. Dido

My tea's gone cold, I'm wonderin why i got out of bed at all.
the morning rain drops on my window and i can't see at all. And
even if i could it'd all be grey. but your picture on my wall.
It reminds me that it's not so bad, it's not so bad.

My tea's gone cold, I'm wonderin why i got out of bed at all.
the morning rain drops on my window and i can't see at all. And
even if i could it'd all be grey. but your picture on my wall.
It reminds me that it's not so bad, it's not so bad...

Dear Slim, I wrote you but you still ain't callin'
I left my cell, my pager, and my home phone at the bottom
I sent two letters back in autumn You must not have got them
There probably was a problem at the post office or somethin'

Sometimes I scribble addresses too sloppy when I jot 'em
But anyways, fuck it, what's been up man, how's your daughter?
My girlfriend's pregnant too, I'm 'bout to be a father
If I have a daughter, guess what I'm-a call her? I'ma
name her Bonnie.

I read about your uncle Ronnie too, I'm sorry
I had a friend kill himself over some bitch who didn't want him.
I know you probably hear this everyday, but I'm your biggest fan.
I even got the underground shit that you did with Scam.

I got a room full of your posters and your pictures, man.
I like the shit you did with Ruckus too, that shit was phat.
Anyways, I hope you get this man, hit me back, just to chat
Truly yours, your biggest fan, this is Stan.

My tea's gone cold, I'm wondering why I got out of bed at all
the morning rain drops on my window and I can't see at all
And even if I could it'd all be grey, but your picture on my wall
it reminds me that it's not so bad, it's not so bad

Dear Slim, you still ain't called or wrote,
I hope you have the chance.
I ain't mad, I just think it's fucked up you don't answer fans.
If you didn't want to talk to me outside the concert
you didn't have to, but you could have signed an autograph
for Matthew.

That's my little brother, man. He's only 6 years old.
We waited in the blistering cold for you for 4 hours
and you just said no.
That's pretty shitty man, you're like his fuckin' idol
He wants to be just like you man, he likes you more
than I do.

I ain't that mad, though I just don't like bein' lied to.
Remember when we met in Denver? You said if I write you
You would write back. See, I'm just like you in a way.
I never knew my father neither,
He used to always cheat on my mom and beat her.

I can relate to what you're sayin' in your songs.
So when I have a shitty day, I drift away and put 'em on.
Cause I don't really got shit else, so that shit helps
when I'm depressed.
I even got a tattoo with your name across the chest.

Sometimes I even cut myself to see how much it bleeds.
It's like adrenaline. The Pain is such a sudden rush for me.
See, everything you say is real, and I respect you
'cause you tell it.
My girlfriend's jealous 'cause I talk about you 24/7.
But she don't know you like I know you, Slim, no one does.
She don't know what it was like for people like us growing up.
You've gotta call me man. I'll be the biggest fan
you'll ever lose.
Sincerely yours, Stan. PS: We should be together too.

My tea's gone cold, I'm wondering why I got out of bed at all
the morning rain drops on my window and I can't see at all
And even if I could it'd all be grey, but your picture on my wall
it reminds me that it's not so bad, it's not so bad

Dear Mr. "I'm too good to call or write my fans"
This'll be the last package I ever send your ass.
It's been six months and still no word. I don't
deserve it.
I know you got my last two letters, I wrote the
addresses on 'em perfect.

So this is my cassette I'm sending you. I hope you hear it.
I'm in the car right now. I'm doing 90 on the freeway.
hey slim i drank a 5th a vodka dare me to drive?
you know that song by phil collins in
the air in the night about that guy who could've saved that other guy
from drowning but didn't and phil saw it all and at his show he found
him thats kinda how this is you could've rescued me from drowning
but its too late i'm on a thousand gallons now i'm drowsy and all i
wanted was a lousy letter or a call i hope you know i ripped all your
pictures off the wall I loved you Slim, we could have been together.
Think about it.You ruined it now, I hope you can't sleep and you dream about it.
And when you dream, I hope you can't sleep and you scream about it.
I hope your conscious eats at you and you can't breathe without me.
See Slim, {screaming shut up bitch, I'm trying to talk
Hey Slim, that's my girlfriend screaming in the trunk.
But I didn't slit her throat,
I just tied her up, see I ain't like you.
'Cause if she suffocates, she'll suffer more,
then she'll die too.
Well, gotta go, I'm almost at the bridge now.
Oh shit, I forgot, how am I supposed to send this shit out?

My tears so cold, I'm wondering why I got out of bed at all
the morning rain drops on my window and I can't see at all
And even if I could it'd all be grey, but your picture on my wall
it reminds me that it's not so bad, it's not so bad

Dear Stan, I meant to write you sooner, but I've just been busy.
You said your girlfriend's pregnant now, how far along is she?
Look, I'm really flattered you'd call your daughter that.
And here's an autograph for your brother: I wrote it
on the Starter cap.

I'm sorry I didn't see you at the show, I must have missed you.
Don't think I did that shit intentionally, just to diss you.
but what's this shit you said about you
like to cut your wrists too?
I say that shit just clownin' dog,
c'mon, how fucked up are you?
You got some issues, Stan, I think you need some counselin'
To help your ass from bouncin' off the
walls when you get down some.

And what's this shit about us meant to be together?
That type of shit'll make me not want us to meet each other.
I really think you and your girlfriend need each other.
Or maybe you just need to treat her better.
I hope you get to read this letter.
I just hope it reaches you in time.
Before you hurt yourself, I think that you'd be doin'
just fine
If you'd relax a little. I'm glad that I inspire you, but Stan
Why are you so mad? Try to understand that I do want
you as a fan.
I just don't want you to do some crazy shit.
I seen this one shit on the news a couple weeks ago
that made me sick.
Some dude was drunk and drove his car over a bridge
And had his girlfriend in the trunk and she was
pregnant with his kid
And in the car they found a tape but it didn't say who
it was to
Come to think about it...his name was...it was you.
Damn.

'Cats in the Cradle' - Harry Chapin

My child arrived just the other day
He came to the world in the usual way
But there were planes to catch, and bills to pay
He learned to walk while I was away
And he was talking before I knew it and as he grew
He said, "I'm gonna be like you, Dad,
You know I'm gonna be like you"

And the cats in the cradle and the silver spoon
Little boy blue and the man in the moon
When you comin home, dad, I don't know when,
But we'll get together then, Son,
You know we'll have a good time then.

My son turned ten just the other day
He said "Thanks for the ball, Dad, come on lets play
can you teach me to throw?" I said, "Not today,
I got a lot to do" He said "Thats okay"
And then he walked away but his smile never dimmed
And said "I'm gonna be like him, yeah
You know I'm going to be like him"

And the cats in the cradle and the silver spoon
Little boy blue and the man on the moon
When you comin home, dad, I dont know when,
But we'll get together then, Son,
You know we'll have a good time then.

Well he came from college just the other day
So much like a man I just had to say,
"Son, I'm proud of you, can you sit for a while?"
He shook his head, and he said with a smile

"What I'd really like, Dad, is to borrow the car keys
See you later, can I have them please?"

And the cats in the cradle and the silver spoon
Little boy blue and the man on the moon

When you comin home, Son, I dont know when,
But we'll get together then, Dad,
You know we'll have a good time then.

I've long since retired, my son's moved away
I called him up just the other day.....
I said "I'd like to see you if you don't mind"
He said "I'd love to Dad, if I could find the time.
You see my new jobs a hassle, and the kids have the flu.
But It's sure nice talking to you, Dad,
It's been sure nice talking to you....."
And as I hung up the phone it occurred to me
He'd grown up just like me,
My boy was just like me.....

And the cats in the cradle and the silver spoon
Little boy blue and the man on the moon
When you comin home, Son, I dont know when,
But we'll get together then, Dad
We're gonna have a good time then.

'My sister, my sister, my sister' – Juliana Hatfield

I hate my sister, she's such a bitch
She acts as if she doesn't even know that I exist
But I would do anything to let her know I care
But I am only talking to myself 'cause she isn't there

My sister, I love my sister, she's the best
She's cooler than any other girl that I have ever met
She had the greatest band, she had the greatest guy
She's good at everything and doesn't even try

She's got a wall around her nobody can climb
She lets her ladder down for those who really shine
I tried to scale it, but to me she's blind
So I lit a firecracker, went off in my eye

I miss my sister, why'd she go?
She's the one who would have taken me to my first all-ages show
It was the Violent Femmes and the Del Fuegos
Before they had a record out
Before they went gold and started to grow

I miss my sister
I miss my sister
I miss my sister
I really miss her

'Just The Two of Us' – Will Smith

Verse 1: Will Smith

(Now dad this is a very sensitive subject)

From the first time the doctor placed you in my arms

I knew I'd meet death before I'd let you meet harm

Although questions arose in my mind, would I be man enough?

Against wrong, choose right and be standin up

From the hospital that first night

Took a hour just ta get the carseat in right

People drivin all fast, got me kinda upset

Got you home safe, placed you in your basonette

That night I don't think one wink I slept

As I slipped out my bed, to your crib I crept

Touched your head gently, felt my heart melt

Cause I know I loved you more than life itself

Then to my knees, and I begged the Lord please

Let me be a good daddy, all he needs

Love, knowledge, discipline too

I pledge my life to you

Chorus:

Just the two of us, we can make it if we try

Just the two of us, (Just the two of us)

Just the two of us, building castles in the sky

Just the two of us, you and I

Verse 2: Will Smith

Five years old, bringin comedy
Everytime I look at you I think man, a little me
Just like me
Wait an see gonna be tall
Makes me laugh cause you got your dads ears an all
Sometimes I wonder, what you gonna be
A General, a Doctor, maybe a MC
Haha, I wanna kiss you all the time
But I will test that b_tt when you cut outta line, trudad
Uh-uh-uh why you do dat?
I try to be a tough dad, but you be makin me laugh
Crazy joy, when I see the eyes of my baby boy
I pledge to you, I will always do
Everything I can
Show you how to be a man
Dignity, integrity, honor an
An I don't mind if you lose, long as you came with it
An you can cry, ain't no shame it it
It didn't work out with me an your mom
But yo, push come to shove
You was conceived in love
So if the world attacks, and you slide off track
Remember one fact, I got your back

Chorus

Verse 3: Will Smith

It's a full-time job to be a good dad
You got so much more stuff than I had
I gotta study just to keep with the changin times
101 Dalmations on your CD-ROM
See me-I'm
Tryin to pretend I know
On my PC where that CD go
But yo, ain't nuthin promised, one day I'll be gone
Feel the strife, but trust life does go wrong
But just in case
It's my place
To impart
One day some girl's gonna break your heart
And ooh ain't no pain like from the opposite sex
Gonna hurt bad, but don't take it out on the next, son
Throughout life people will make you mad
Disrespect you and treat you bad
Let God deal with the things they do
Cause hate in your heart will consume you too
Always tell the truth, say your prayers
Hold doors, pull out chairs, easy on the swears
You're living proof that dreams do come true
I love you and I'm here for you

Chorus to fade

(This is a good song dad, how much am I gettin paid for this?)

'Piece of My Heart Lyrics' – Janice Joplin

(Come on...)

Didn't I make you feel like you were the only man, well yeah,
An' didn't I give you nearly everything that a woman possibly can ?
Honey, you know I did!
And each time I tell myself that I, well I think I've had enough,
But I'm gonna show you, baby, that a woman can be tough.

I want you to come on, come on, come on, come on and take it,
Take another little piece of my heart now, baby, (break a..)
Break another little bit of my heart now, darling, yeah. (have a..)
Hey! Have another little piece of my heart now, baby, yeah.
You know you got it if it makes you feel good,
Oh yes indeed.

You're out on the streets looking good, and baby,
Deep down in your heart I guess you know that it ain't right,
Never never never never never never never hear me when I cry at night.
Baby, I cry all the time!
And each time I tell myself that I, well I can't stand the pain,
But when you hold me in your arms, I'll sing it once again.

I'll say come on, come on, come on, come on, yeah take it!
Take another little piece of my heart now, baby. (break a..)
Break another little bit of my heart now, darling, yeah, (come on...)
Have another little piece of my heart now, baby, yeah.
Well, You know you got it, child, if it makes you feel good

Guitar

I need you to come on, come on, come on, come on and take it,
Take another little piece of my heart now, baby. (break a...)
Break another little bit of my heart, darling, yeah. (have a)
Have another little piece of my heart now, baby,
You know you got it (waaaaahhh)
Take a...Take another little piece of my heart now, baby. (break a...)
Break another little bit of my heart, and darling, yeah yeah (have a)
Have another little piece of my heart now, baby,
You know you got it, child, if it makes you feel good

'Foundations' – Kate Nash

Thursday night, everything's fine, except you've got that look in your eye
when I'm tellin' a story and you find it boring,
you're thinking of something to say.
You'll go along with it then drop it and humiliate me in front of our friends.

Then I'll use that voice that you find annoyin' and say something like
"yeah, intelligent input, darlin', why don't you just have another beer then?"

Then you'll call me a bitch
and everyone we're with will be embarrassed,
and I won't give a shit.

My fingertips are holding onto the cracks in our foundation,
and I know that I should let go,
but I can't.
And every time we fight I know it's not right,
every time that you're upset and I smile.
I know I should forget, but I can't.

You said I must eat so many lemons
'cause I am so bitter.
I said
"I'd rather be with your friends mate 'cause they are much fitter."

Yes, it was childish and you got aggressive,
and I must admit that I was a bit scared,
but it gives me thrills to wind you up.

My fingertips are holding on to the cracks in our foundation,
and I know that I should let go,
but I can't.
And every time we fight I know it's not right,
every time that you're upset and I smile.

I know I should forget, but I can't.

Your face is pasty 'cause you've gone and got so wasted, what a surprise.
Don't want to look at your face 'cause it's makin' me sick.
You've gone and got sick on my trainers,
I only got these yesterday.
Oh, my gosh, I cannot be bothered with this.

Well, I'll leave you there 'till the mornin',
and I purposely wont turn the heating on
and dear God, I hope I'm not stuck with this one.

My fingertips are holding onto the cracks in our foundation,
and I know that I should let go,
but I can't.
And every time we fight I know it's not right,
every time that you're upset and I smile.
I know I should forget, but I can't.

And every time we fight I know it's not right,
every time that you're upset and I smile.
I know I should forget, but I can't.

'Yeah! Oh, Yeah!' – The Magnetic Fields

Are you out of love with me?
Are you longing to be free?
Do I drive you up a tree?
Yeah! Oh, yeah!
Do I drive you up the wall?
Do you dread every phone call?
Can you not stand me at all?
Yeah! Oh, yeah!
Though I need you more than air
is it true you just don't care?
Are you having an affair?
Yeah! Oh, yeah!
When we met I thought
money was everything
so I let you buy the house,
the car, the ring
but I can't take your perpetual whining
and you can't sing
I thought if we live apart
we could made a brand-new start
Do you want to break my heart?

Yeah! Oh, yeah!
I've enjoyed making you
miserable for years
found peace of mind in
playing on your fears
How I loved to catch your gold
and silver tears, but now my dear
What a dark and dreary life
Are you reaching for a knife?
Could you really kill your wife?
Yeah! Oh, yeah!
Of, I die, I die, I die!
So it's over, you and I
Was my whole life just a lie?
Yeah! Oh, yeah!
